allowed to participate or be present at the following game. I understand that if I am ejected
a second time from a game the Board of Directors of Lake County Hoops Basketball League
shall have the option to replace me as a coach for the remainder of the season.

I understand that my obligations as a coach include the following:

I will locate a team parent and turn that person's name in <u>before I start practices</u>. If Lake County Hoops Basketball League finds it necessary to establish a Concession Stand, I understand that I or my team parent will be responsible in covering a time schedule and if my team fails to cover my designated time I will be charged a fee or FORFIET my last game. I will participate and support any fundraisers the league may feel necessary to raise money.

I understand that when my team practices no one else other than another scheduled team is to be in the stadium/gym/facility or on school property, if there is I am to ask them to leave. I also understand any player suspended from school shall **not** attend practices, games or be on school property while on suspension. Any accident, injury or incident that may happen while I am present is to be reported to a Board Member **Immediately**. I will check to make sure that no person is left inside the stadium/gym/facility. I will instruct my players to stay in our designated practice area and not to disrupt anyone else's practice. If I am the last to leave a gym/facility I will make sure **all participants** have gone and will not leave till the last one is secured by their parent or guardian. **If I have to forfeit a game I will let the opposing coach know and a Board Member.** If I do not I may be removed from coaching at the discretion of the LC Hoops Basketball League Board.
